## RMC Events – Carruthers Hall Parking Information

 These orange arrows show the proper direction of traffic flow for both entering and leaving the Carruthers Hall North (Top) Lot.

### Overview

- Carruthers Hall is a large UVA office complex that houses many different departments in which during any given day there are between 200-300 vehicles that need to park on-site.
- During large events at the John Paul Jones Arena event staff are given the opportunity to park their personal vehicles in the Carruthers Hall North parking lot and take a shuttle over to the arena.
- During the regular work week there are many events that have a call time somewhere between 4pm and 6pm. As a result of these early call times and the fact that many Carruthers Hall employees are completing their regular work day around the same time there have been many “near misses” with event staff seeking parking spaces and Carruthers hall staff trying to leave their parking spaces.
- As a result there needs to be a strictly adhered to parking plan to avoid any accidents and help with egress in and out of the Carruthers Hall parking lots.

### Staff Instructions

- When you make the right into the Carruthers Hall North parking lot off of Emmet Street (29 North) you **must travel up the hill to your left to the top lot.**
- Once you get to the top of the hill and enter the lot you **must veer to the right.**
- Feel free to take any available parking spaces to your immediate right or continue around and turn left into any of the three parking bays to find an available space. **PLEASE** make an effort to **FILL THE LOT FROM THE BACK FIRST**. This will give UVA Employees an easier opportunity to vacate the lot while we’re loading.
- Once you park your vehicle please meet the shuttle van at the top of the hill at the entrance to the top lot.
- When you are exiting the lot you must follow the above outlined route in order to preserve safety.
- The entire Upper Lot at Carruthers Hall is one-way so please be aware of these routes and adhere to this parking policy to ensure everyone’s safety and our continued use of this parking area.

**Please remember to BE A COURTEOUS and POLITE driver while in the lot!  
THANKS and Go HOOS!!!**
